SUBJECTS.

Dewan's reply.—The Chief Engineer reports that the matter is under investigation. We shall wait till the investigation is completed and his report is received.

149. ***Extension of school premises.***

The member also requested for the extension of the premises of the Mavelikara school.

Dewan's reply.—The suggestion is noted.

150. ***Restoration of irrigation channels.***

Mr. V. Parameswaran Tampi requested that several irrigation channels in the taluk which have become useless, be restored and improved.

Dewan's reply.—The member's suggestion is noted.

CHENGANNUR TALUK.

151. ***Outlet for surplus water.***

Mr. R. Neelacandan Tampi requested that an outlet to the sea be provided at Porakad or other adjoining locality to drain the surplus water collecting in Chengannur, Ambalapuzha, &c.

Dewan's reply.—Government note this.

The member also represented—

152. ***Hospital at Chengannur.***

(1) the want of a hospital at Chengannur, and

153. ***Improvement of roads.***

(2) the improvement of the following roads :—

(*a*) the portion of the Mavelikara-Kozhencheri road remaining to be improved :

(*b*) the road from Puliyoor to Kuttamperur landing place :

(*c*) the road from Perumana to Mannar : and

(*d*) the six feet trace from Kozhencheri road to Omallore *via* Elanthora.

Dewan's reply.—(1) Government note the request for a hospital at Chengannur.

(2) The requests will be considered. But nothing can be done now.

TIRUVALLA TALUK.

154. ***Change of jurisdiction of Mannar.***

Mr. V. Krishna Pillai urged the removal of Mannar from the jurisdiction of the Chengannur Munsiff to that of the Tiruvalla Munsiff.

Dewan's reply.—Mannar was brought within the jurisdiction of the Chengannur Munsiff some time ago at the suggestion of the High Court, in view to the equalization of the work of District Munsiffs. If the arrangement is now disturbed, the result will be that the Chengannur Munsiff will not have enough of work, and the Tiruvalla
